

Traffik Analysis Hub

Annual cost of participation.

Traffik Analysis Hub needs to be financially self sufficient from 1/1/2020.

We need to raise funds between now and mid January, either by way of donation or an accumulation of fees as set out below.

We propose to collect Finance and Business sector fees quarterly to enable continual evaluation of the benefits of participation.

Sector	No data contribution	Data contribution*
NGOs	£1,000	£100
Law Enforcement Agencies	£2,500	£1,000
Multi Lateral Agencies	£2,500	£1,000
Corporations (£35m pa +)	£20,000	£10,000
Businesses (>£35m pa)	£10,000	£5,000
Financial Services	£20,000	£10,000

* Minimum 2,000 cases to qualify
