

## Traffik Analysis Hub

### Annual cost of participation.

Traffik Analysis Hub needs to be financially self sufficient from 1/1/2020.

We need to raise funds between now and mid January, either by way of donation or an accumulation of fees as set out below.

We propose to collect Finance and Business sector fees quarterly to enable continual evaluation of the benefits of participation.

<b>Sector</b>	<b>Participant Fee</b>
NGOs	-
Law Enforcement Agencies, Academia, Multi Lateral Orgs	-
Business Associations and smaller businesses	Negotiable
Financial Institutions and large businesses	£20,000
